Description: The mystery of the body in motion. The surprise of seeing what seems impossible. And the pure, joyful optimism of it all. *Dancers Among Us* presents one thrilling photograph after another of dancers leaping, spinning, lifting, kicking—but in the midst of daily life: on the beach, at a construction site, in a library, a restaurant, a park. With each image...

Review: This is an excellent book. Its bright, imaginative, and full of the joy of dancing. The photography is terrific, and the short stories are fun and informative. The only reason I gave it 4 stars instead of 5, is because of the layout. I would preferred having the stories that accompany the photographs WITH the photos. I got really annoyed with having...
